MEMORANDUM FOR: Executive Director

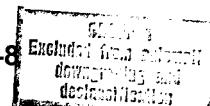

SUBJECT : Proposed Notice on the Organization of DD/R

Paragraph 1. of this notice appears to me to require rather considerable clarification before it will be very helpful in determining the precise mission of the Deputy Director (Research) or before it could serve as a very useful guide in determining the resources appropriately to be allocated to the support of his mission. I would suggest that this notice be re-drafted to describe rather precisely the existing components to be transferred to DD/R and additional responsibilities intended, if any, which are not included in the existing terms of reference of existing components of the Agency.
